Storytelling has earned its place as the most important tradition humans possess. The most important reason for this is that every story contains a good lesson for the audience. Stories teach us to love, to forgive others, to be all fair and to strive for being better than what we ... Sun, 04 Nov 2018 19:10:00 GMT The Art of Storytelling - ncd.sy - In The Art of Storytelling by John Walsh, Walsh lays out a straightforward plan for readers to present stories in a powerful and compelling way. This book is really written to those who wish to perform stories in public (for example at a library for children or as a Sunday School lesson), but Walsh makes it accessible to a variety of others by guiding readers through portions of the book that non-storytellers can skip.
